

Study Commitment Form

Testing Qualifications:

Undergraduate programs:

1. Students must be in their final semester of course work prior to student teaching, graduation, or program completion.
2. Students must take a Representative Test for each TExES test to be taken. Students scoring below 80 % must participate in a faculty scheduled review session.
3. If student's score is 80% or above, no review is required.
4. Students must obtain advisor's signature on this form and submit to Certification Office for approval and processing with TEA/SBEC.

Graduate programs:

1. Students must obtain advisor's signature on completed Study Commitment Form and submit to Certification Office for approval and processing with TEA/SBEC.

Note to Student: If you are repeating a test, advisor's approval is not required.

TEA/SBEC and ETS testing requires:

1. a valid email address. Your approval and registration cannot be processed without one.
2. your Educator Profile with TEA/SBEC must match (exactly) with ETS registration.
3. name on your ETS registration and your *Legal ID* must match.
